## **SLIDING-FEE SCHEDULE FOR MEDIATIONS**

Midlands Mediation Center offers mediation on a sliding-fee scale that is based on the annual household income of each party. Each party is responsible for their fee. Payments are due at the time of mediation, no exceptions. Fees may be adjusted in situations of extreme hardships.

Each party is expected to pay a one-time \$25.00 administrative fee at the end of each mediation session in addition to the mediation hours spent multiplied by the per-hour fee per party.
